

PROJECT NAZARETH

FAITH BEGINS AT HOME

Marian Paper Statues

May is the month of Mary! It is when we celebrate Mother's Day and host a May Crowning. With so many beautiful aspects of our faith, take some time as a family this month to think about our relationship with Mary and the graces you have received through her intercession.

Once you print the paper statues, have your children color, and cut out the pieces. Then, fold the triangular piece along the fold line. Using tape or glue, attach the triangle vertically along the back of the paper statue. The support your paper statue even better, you could paste it on a cereal box before adding the stand.

~

While your children are coloring and cutting, be sure to read together the "Fun Fact" and discuss how Mary is a spiritual mother to all of us. Ponder together how many cultures have an image of Mary. Compare and contrast the differences between the various Marian images. When finished, pray a Hail Mary together!

PROJECT NAZARETH

FAITH BEGINS AT HOME

Our Lady of Lourdes

FOLD STAND ALONG LINE. THEN GLUE OR TAPE TO BACK.

Fun Fact: Roses are “Mary’s flower,” which is why she has yellow roses on her feet.
